COMMENTS: The CMP-Carmichael teachers and staff are so excited to welcome our students back from the 20/21 school year! The entire team has been working hard to ensure our students and families have a successful year, as we begin the year with Distance Learning. We are excited to re-connect with our entire community through the community, class, and parent meetings designed to welcome our families, build community, to provide important information, and support students and parents!

Our “Welcome CMP Carmichael Sharks” parades are being held on Friday, August 7th. These drive-through parades will be a fun and festive opportunity for students and staff to safely see one another before school begins. On Monday, August 10th and Tuesday, August 11th, we invite parents and students to attend the Welcome Meeting for their class (via Zoom). During these meetings, teacher, parents and students will come together as a classroom community for the first time this year and receive details about the week ahead to ensure everyone is prepared for the first day. On the mornings of the 10th and 11th, families will come to the school to pick up devices, classroom materials, and take Fall Pictures. Initial Parent Meetings will be held August 12th-14th to provide parents and teachers time to discuss individual student needs and goals. And we will round out our cycle of meetings with our Back to School Nights, which will be held the week of August 17th.

We are so happy to welcome our students back to school and look forward to the continued partnership with our families. We have an amazing community at CMP-Carmichael, one rooted in responsibility and contribution, cooperation and friendship, and excellence in education. These qualities, and our community, will continue to shine!
