**RE: Priority Funding Certification for Charter School Facilities Program
Advance Release of Funds**

Dear Ms. Cunneen:

The California Montessori Project (CMP) requests to receive an approved advance release of design funds for the following project:

<u>Project Name</u>	<u>Application Number</u>
<u>Type of Advance</u> California Montessori Project, Design Apportionment San Juan Campus at American River	54/67447-00-006

The CMP acknowledges that a valid, original signature Fund Release Authorization (Form SAB 50-05) must be submitted and physically received by the Office of Public School Construction (OPSC) within 90 calendar days from the date of approved advance release of design funds request and 180 calendar days from the date of approved advance release of site acquisition funds request.

The CMP acknowledges that failure to submit a completed Form SAB 50-05 within the 90-day/180-day period will result in the advance being rescinded without further action by the State Allocation Board (SAB). A rescinded advance will revert back to an unfunded approval at the bottom of the unfunded list. The advance will receive a new unfunded approval date equivalent to the due date of the Form SAB 50-05. In the case that multiple rescissions are made by the SAB, each separate advance will be placed at the bottom of the unfunded approvals list in the order of the original unfunded approval date.

The CMP acknowledges that by participating in the priority funding round, the CMP is waiving its right to a standard 18-month timeline for fund release submittal.

The CMP acknowledges that a valid, original signature Grant Agreement for each project and each type of advance must be submitted pursuant to School Facility Program Regulation Section 1859.90.4 and physically received by OPSC prior to or concurrently with the Form SAB 50-05.

In order to be considered for an approved advance release of site acquisition funds from a Preliminary Charter School Apportionment, the CMP acknowledges that it must provide evidence that it has entered into the Charter School Agreements within 90 calendar days of approval of the advance release of funds request and that failure to do so will result in the rescission of the approval without further Board action. (*not applicable*)

The mission of the California Montessori Project is to provide a quality, tuition-free Montessori education that challenges our students to reach their full potential.
