## FUNDRAISING EFFORTS

Event	Total Raised	Funds Used For:
Our first event is a restaurant night at Chipotle on September 23, 2020.		

We hosted our first Campus Advisory Council meeting last Tuesday. We appreciate the efforts of members of our community to plan "virtual fundraisers" this year. We have many expenses related to Distance Learning that we would like to offset with fundraising dollars. Our K/1 teachers are interested in purchasing ELMO document cameras for their live lessons. Our first fundraiser will be a Chipotle Restaurant Night - take out only!

Chipotle Fundraiser for CMP Orangevale  
Wednesday, September 23, 4:00 – 8:00pm  
5223 Hazel Ave, Fair Oaks, CA 95628, USA

In these first weeks of school the teachers have been presenting lessons from what we as Montessorians call, "Cosmic Education". The intent of these lessons is to tell the story of the interconnectedness of all things in our world. In the K/1 classrooms the lessons have focused on experiences with nature and the use of the sensorial materials. These experiences teach the children to refine their senses and help them understand their world.

In 2/3 and Upper Elementary classrooms, the teachers have been presenting the "Great Lessons of Cosmic Education". These lessons are taught every year as a whole curriculum in an effort to awaken the curiosity of the students in the world around them and to the Cultural areas of study in the Montessori classroom: history, culture, science and the environment.

In this time when we are all feeling disconnected and distant, we are making constant efforts to stay connected with all of our students and to support the parents.
