COMMENTS

The CMP Shingle Springs team is hosting this year's CMP-wide network in-service day on Thursday, August 10th. Almost 400 CMP staff members will be gathering at the campus for a day of professional development and community building. The entire Shingle Springs team (and some volunteers from other CMP campuses 😊) have been BUSY preparing our classrooms and our school grounds for this event. We must admit, this is definitely giving us a jump start on our preparations for the new school year!

Sponsoring this event has brought out the best in our teaching teams and in our parent volunteers. We put the call out for support, and our parents have shown up to move bark, power wash lunch patios, paint shelves, help clean classrooms, and more! What a joy to get to know our parents better by working alongside them on these campus beautification projects. 😊

We follow up our Professional Development Day with an Open House for all of our new and returning families on Monday, August 14th. We look forward to meeting the students and parents who are new to our school and those who have transitioned from one grade level group to another. With school starting on Wednesday, August 16th, we are feeling very prepared!
