**COMMENTS:**

The CMP-Carmichael community has done a great job starting the year in Distance Learning. We held our Initial Parent Meetings August 12<sup>th</sup>-14<sup>th</sup> to provide parents and teachers time to discuss individual student needs and goals, and Back to School Nights were held the week of August 17<sup>th</sup> to provide classroom program information and Q & A time for families. And we held multiple materials pick-up days for families to receive the materials necessary to support student learning at home. The last few weeks have included our initial academic assessments, which will be used to help guide our students’ learning and individualized needs. Thank you to our Teachers, Teaching Assistants, and Staff for your incredible work in ensuring a successful start to the year!

Our first CAC meeting of the school year was held, as well. Thank you to all of our community members who attended for the support, input, and efforts made toward guiding the fundraising activities and community building for our school!
