**COMMENTS**

The CMP Shingle Springs team is so appreciative of the support that we're receiving from the El Dorado County Office of Education and the El Dorado County Health Department. These two agencies have consulted with us numerous times on our re-opening plans, classroom disinfecting and cleaning equipment, and on questions from staff related to best practices related to COVID safety protocols and testing procedures. We're also so appreciative of the many personal protection devices, cleaning products, and consultations that they have provided.

Our students are actively participating in their Distance Learning Programs, demonstrating a very impressive average of 99.3 % attendance and participation each day! The Shingle Springs teaching team deserves recognition for the creative lessons and the hard work that they're putting into their lessons and activities each and every day; their students are thoroughly engaged in their lessons and classroom meetings. Thank you to the CMP Shingle Springs teaching teams!!!

Please enjoy the following photos depicting some of the joyful experiences our students (and our teachers😊) are having through our Distance Learning program!
