COMMENTS

We have been in distance learning for almost four weeks and it is evident our teachers are becoming more creative, collaborative and confident with this new approach. We have tweaked our Attendance taking and Daily/Weekly Student Work Plans to include all the compliance pieces now required by the state. Teachers are meeting regularly in their program level meetings to ensure consistency in delivery of instruction while following the newly updated Montessori Curriculum Guides.

The Staff Supervision Program continues to grow stronger and it is amazing how well the students have acclimated to this new distance learning environment.

We were able to hire the remaining teaching assistants needed and now all general education teachers have a teaching assistant with them in their classroom.

We are so proud to work with a group of exceptional teachers who continue to keep our students at the forefront of every conversation.

Elk Grove Rocks!!!
