Mr. Brett Barley  
Superintendent  
California Montessori Project – Capitol Campus  
5330-A Gibbons Drive, Suite 700  
Carmichael, CA 95608

Mr. Barley:

Subject: Request for Proposition 39 Facilities for the 2021-22 School Year

The purpose of this letter is to respond to the Proposition 39 request dated October 27, 2020.

To the extent possible, the Sacramento City Unified School District (SCUSD) has attempted to match charter school facility requests with space available based on the compatibility of the following features:

- The quantity of classroom space requested and the classroom space available.
- The school program and the site.
- The location requested and the sites available.

This letter constitutes a Preliminary Offer of facility space as required by the California Code of Regulations, Title 5, Education, Division 1. California Department of Education, Chapter 11. Special Programs, Subchapter 19, Charter Schools, Article 3. Facilities for Charter Schools, Section 11969.9 (5 CCR 11969.9).

The district will consider the continuation of the current Facilities Use Agreement (FUA) for the facility at 2635 Chestnut Hill Drive, Sacramento CA 95826-2912. Like the previous FUAs between SCUSD and California Montessori Project - Capitol Campus, SCUSD will continue the practice of charging all charter schools that choose to accept the use of District facilities, a facility use rate that represents the charter school's pro-rata share. SCUSD determines the pro-rata share and other mandated costs at the drafting of the Letter of Intent (LOI) in early August. California Montessori Project - Capitol Campus may also want to purchase additional services from the district; the costs of the other services selected by California Montessori Project - Capitol Campus will be included in the LOI.

You may respond in writing to the District's preliminary proposal, expressing any concerns, addressing differences between the preliminary proposal and your facilities request, and/or making counter-proposals by March 1, 2021. Contact Jesse Ramos, Director of Innovative Schools by e-mail, mail, or personal delivery at the following email or mailing addresses:
