- We have done 2 Virtual Lottery Tours since the start of the year and had great success with it. There will be 2 more tours this month, 2 in March and 1 in April.
- Our teachers and staff continue to make connections with their students. This month, we will be doing a Valentine Exchange and give the students the opportunity to send valentines to their classmates through drop off and pick up.
- We continue to prepare for reopening and have put down directional signs on the floor, safety/hygiene signs in high use areas, touchless hand sanitizers in every classroom and provided teachers with sneeze guards for students coming. We have completed the training of new staff on the most recent guidelines and continue to reach out to families informing them about the guidelines.

- We are very pleased to see students coming in for speech, OT and specialized academic instruction. It is very heartwarming to see them on campus.

Here are pictures of our campus:

Families signing children in and completing the health screening.

Sneeze Guards in every space for all of our students.

Directional arrows in our hallways and classrooms.

Safety reminder signs in our high traffic spaces.

Hand washing reminder signs in all classrooms and bathrooms.
