COMMENTS

In January, CMP-Carmichael teachers participated in professional development from i-Ready to further utilize the program resources in analyzing student progress toward mastery of standards. This training was in conjunction with our review of student progress after taking the second diagnostic in December.

Classes recognized the 100th day of school in January with activities to highlight this special day.

January's character trait was Curiosity, which was highlighted for in-class discussions, lessons or activities and with resources shared by our school counselor, Ms. Coral.

Informational sessions/virtual tours started this month, for people interested in enrolling at CMP and seeking to learn more about the educational program at CMP-Carmichael. Sessions are being held monthly via Zoom.

With a nod to our February character trait focus being "Friendship" we will have our community Friendship Drive-Through Parade on Friday, February 12th. We look forward to seeing all of our friends in the CMP-Carmichael Community!
