COMMENTS

We have had some very busy but productive weeks. We spent much time updating the COVID-19 Safety Plan and met with stakeholders to review the contents of the updated plan before posting to our website on February 1. On February 2, we had our first Charter Renewal Public Hearing with EGUSD. Their Communications Director read the prepared comments from our teacher, two students (one current, and an alumni) and parent/CMP Board Rep. It was thrilling to see the joy on their faces as they listened to the comments. Several of the board members had positive comments regarding our charter renewal documents, the amount of data we included, and the progress made in areas they asked us to focus on during the last charter renewal.

The students celebrated the 100th day of school and we are having fun Valentine celebrations in the classrooms this coming week. We have a committee working on a fundraiser, "Raisecraze" (fundraising through kindness), and hope to have that up and going by month end.
