All funds are dedicated to purchase furniture, materials and supplies for the classrooms to make them safe and socially distanced for in person hybrid learning.		

The teachers have been very busy preparing and planning for the hybrid in person learning by organizing their classrooms and creating the daily schedules. We continue to host virtual fundraisers to support the teachers with materials and others items needed for the new socially distanced classroom design.

We announced the names of the Distance Learning teachers to the community on November 20. On December 4 each teacher will send out a welcome letter to each new cohort. All teachers will be hosting a "Meet and Greet" to introduce themselves to new families and give details on the hybrid or Distance Learning model.

The safety team is preparing for hybrid in person learning. We are creating waiting areas for the bathrooms, socially distanced lunch spots and creating zones for recess. Our custodians are practicing the use of the electrostatic sprayer in preparation for the cleaning in between cohorts. The safety of our students and staff is our highest priority.
