December is a busy month for us, as we prepare for re-opening next year. Teachers are creating new Distance Learning and Hybrid Learning cohorts and we are notifying parents of classroom placements and configurations, based on their choice. Hybrid classroom schedules and structures are also being created to provide optimal learning for students.

We are pleased to be serving around 23 students in our speech and language program and 6 students in occupational therapy. Student assessments have also been resumed and we are always thrilled to see the students come.

The second iReady Diagnostics will be completed before the winter break. We are looking forward to seeing the results and analyzing how we can best serve the students.

For the month of December, we also reviewed our Safety Plan with the staff and continued with our safety training.

Our office Admin team members are enjoying having Lunch Bunch Zoom Meetings with our students. Bernie does it with the Kindergarten, Elizabeth with the Lower EI, Shannon with the Upper EI and Emilie with the Middle School Students. It's our way of connecting with students and an opportunity for students to socialize with others. In January, we will switch our groups.

We wish everyone a safe and peaceful winter break and holiday celebration: Merry Christmas, Happy Hanukah, Happy Kwanzaa, Happy Festival of Lights and Happy Winter Break!
