COMMENTS

The teachers enjoyed a much-deserved break during the winter intersession. Campus staff continue to prepare for the hybrid in person learning by organizing their classrooms and creating the daily schedules. We supported two local restaurants (to go items) in fundraising efforts and made close to \$700.00. Thank you to the families and extended families that donated to our “Giving Tuesday” on line fundraiser in early December. We much appreciate your support.

We announced the names of the Hybrid and Distance Learning teachers to the community prior to the winter break. There was much time and effort put forth on this comprehensive project. Once we have a scheduled date for our opening to in person learning we will be sending out communication on drop off/pick up, lunches, and mask wearing.

Teaching staff will be reviewing the results of the second i-ready diagnostic that students took in December and putting together plans for those needing additional support.

The Elk Grove staff wish a peaceful New Year to all.
