COMMENTS

The Winter Intersession break provided an opportunity for us to catch up on quite a few administrative projects while the students and their teachers enjoyed some very well deserved down time with family and friends. We were also able to keep an eye on the construction process next door and were thrilled to see so much progress made on the buildings. The basketball hoops, siding, and acoustic panels are installed in the gymnasium. The restrooms are tiled, and the administrative offices are being painted. The classrooms are ready for the low-voltage wiring to be completed and all of the classroom cabinetry has been installed. The rains delayed the exterior work, in particular the roads and sidewalks. We are hoping that the break between the rains will allow the contractors to make a fair amount of progress on the roads and sidewalks.

The Middle School teachers are excited to be participating in a Google Chrome Pilot Project while the 6-9 and 9-12 teachers are enthusiastic about the Renaissance Learning Accelerated Reader 360 pilot period. It is exciting to start the new year off with new curricular components.

We wish the entire CMP community a happy and healthy 2015!
