HUMAN RESOURCES EMPLOYMENT NEEDS: TA & CTC SUBS**Campus Happenings:**

It is bitter-sweet writing my last Principal's Report for the Carmichael Campus. After 11 years as principal at Carmichael, it feels like leaving family. The end-of-year retreat will allow time for closure and to pass on those last tidbits of "wisdom." I am confident that the staff will flourish under Julie's leadership, and that they will be supportive to her.

The past four years have seen tremendous growth and change for the campus, and yet the close community of staff and families has continued, and perhaps has grown even stronger. The veteran staff have supported new teachers and have taken on more responsibilities in the way of school and family events. This has made the Carmichael Campus a wonderful place to work and to learn.

I look forward to my responsibilities at the Orangevale Campus, taking my experiences at Carmichael with me, while creating new ones in my next community.
