**COMMENTS**

*All the Principals appreciate the opportunity we have had to work together at the Principal’s Retreat. It is an important time for us to intensely discuss crucial issues such as staffing, classroom configurations, and budgets. Having this uninterrupted block of time has allowed us to share ideas and plan many key factors of the upcoming school year. Thank you!*

*Ms. Sylvia will be representing CMP at the Annual AMS Conference this year. She is presenting a workshop on Bully Prevention, and will have videos of Orangevale students performing bully prevention plays that they have written. On our campus Ms. Sylvia presents bully prevention lessons for all our classes throughout the year and works with individual students.*

*Preparations are under way for our Continent Party, which will be held the day before spring break. Classrooms will have artifacts, displays, reports, and food to taste from the continent they have chosen. We hold our event during the school day so that all students may have the cultural experience in each of the other classrooms.*
