COMMENTS

Progress reports are completed and teachers are meeting with parents to discuss the progress students have made so far this year. It is a wonderful opportunity to address questions, concerns, and display accomplishments.

Our PC Pal program is underway again. It is a program where Intel volunteers communicate by email with our 5th and 6th graders throughout the school year. We began with a breakfast where students and their Intel partner got to know each other. Then the students gave them a tour of their Montessori classrooms. Last year the grant we received from Intel by participating in PC Pals was over \$14,000. We used the funds to purchase two laptop carts and 26 laptops for our upper elementary classrooms.

Preparations for the Orangevale Annual Harvest Festival are in full swing. There will be games and prizes, a free petting zoo, barbeque, music and our biggest silent auction ever. New this year will be a Scarecrow Contest and photo booth. You are welcome to join us on Thursday, October 23rd, from 4:00-7:00.
