COMMENTS:

All classrooms have done **Back to School Nights** and all had a good turnout. We've also presented the **7 Habits of Highly Effective Volunteers** 4 times, provided **Live Scan service** on campus and presented **Maria Montessori: Her Life and Works** for parent ed. As part of our **Safety Program**, we have done **fire, earthquake, and lockdown drills** during the month of August. We've also completed the **hearing screening** for the required grade levels. The **vision screening** will be held on Sept. 9th.

The **middle school** students went on an overnight **Ropes Course** at the Alliance Redwoods and had a great time bonding. The normalization period is going extremely well and students are settling in a routine, completing assessments, and doing more work. We will do a **Silent Journey** as part of our parent education program on **September 17th from 5-7 pm**. This will give the parents an experience of a day in the life of their children in school.
