COMMENTS

Since we had a number of students enroll since our New Parent Orientation in early August we held a second New Parent Orientation with Mobil Livescan available and the “7 Habits of Highly Effective Parent Volunteers” class. We also held a Tech Night at the end of August. Tech Mentors for Rosetta Stone, Accelerated Math and Accelerated Reader gave presentations to a large group of parents in our MP room.

Our Parent Volunteer Coordinators have done a fabulous job of organizing volunteers into key positions to start the year. They gave presentations at the New Parent Orientation and all the Back to School Nights for parents on how to access, sign up for jobs, and log hours on our Volunteer Website.

We are excited that our Art Docent Program has two volunteers for each classroom this year. Our Art Docent Coordinator has already held training sessions for the volunteers so they are prepared to begin lessons this month.
